

Hertfordshire County Council intend to close Hempstead Lane, Potten End during the week of 14 May. This does not affect the entrance to the Bowls Club but it does mean the main route from Hemel Hempstead will be closed. Our advice to those coming through Hemel Hempstead (particularly the coach from Sussex) is to proceed along the Leighton Buzzard Road towards Water End and take the first left turn after the car sales showroom and the Red Lion restaurant to Potten End. At the church in the village turn left and the entrance to the Bowls Club is on the opposite side of the next junction.
