

## SAFEGUARDING TRAINING

All clubs should encourage their members including coaches, volunteers and in particular Club Safeguarding Officers to attend relevant training courses to ensure that all children and vulnerable adults are safe within their clubs.

### NEW! Online Adult Safeguarding in Bowls Module.

Coach Bowls is delighted to be able to offer all clubs, coaches and volunteers the opportunity to attend the new online version of the 'Adult Safeguarding in Bowls' module.

The module has been revamped and refreshed to allow it to be delivered in a 'virtual classroom' allowing full interaction with the tutor and the other attendees, just as if you were on a 'traditionally delivered' course

This style of delivery will allow club members to attend the module in the comfort and safety of their own home, whilst still giving the opportunity to chat to / meet / interact with different people from around the country.

It gives clubs the reassurance that in a time when their members are possibly more vulnerable than ever, there are people with the awareness and knowledge to recognise the signs and know where to go for help and support.

Clubs are encouraged to send as many members as possible on to the module.

After all, safeguarding is everyone's responsibility in a club!

The content of the module remains in line with the 'traditionally delivered' module. People attending will gain an e 'certificate' which can be displayed as soon as people wish. Additional resources are circulated after the course, to help the club display information, along with reinforcing the information gained during the module itself.

The module is 3 hours and costs £25.

Booking will open on Monday 18th May, for dates commencing in June 2020.

To book this course click on the link here: <http://www.coachbowls.org>

## **Online Training/Webinars**

The following CPSU Webinars can be found by clicking here

<https://thecpsu.org.uk/training-events/cpsu-webinars/>
