

Presidents Message 7th December 2021

Firstly, it is indeed a real honour to become the President of such a great county as Sussex, and thanks to my club Newick for supporting my application to serve this wonderful County.

Congratulations must also go to my Vice President John Whitfield, and Junior Vice President Stuart James, I look forward to working alongside you both and all the County Officers during the 2022 bowls season.

Having been a County Selector for the last 4 years I also look forward to selecting, alongside the other selectors, the newly named Presidential Matches as it has been a difficult 2021 season with so few names to choose from, so hopefully now more of you bowlers, badged or unbadged, will come forward, so please check your diaries, and put your names down, it really is an enjoyable way to play more competitive bowls.

Congratulations to Mark Strong and his Management team, but most of all Congratulations to all the players that he used in 2021 who won the Home Counties League for the first time ever. Having watched the final, it was a tight match, with every one of the Sussex players contributing to the historic win, witnessed by myself and a few of the others County Officers, keep it up guys and I look forward to watching you again this time as your President.

Moving forward I hope the season will be a full one, Covid is kept in check, and I get to meet as many of you as I can during my presidential year.

I know I have the backing of a great Presidential team and County Officers and I am confident we can make 2022 a winning year for Sussex County Bowls.

Mark Broadway

Sussex County Bowls

President 2022
